

COVID-19 Hotspot Bulletin

Date: Tuesday 15 September 2020

Time: 06:00 hrs

Version: 1

This bulletin relates to the Local Government Areas (LGAs) and Hotspots associated with the COVID-19 outbreak in NSW and associated directives from Dr Kerry Chant, Chief Health Officer NSW Health.

All staff, visitors and contractors must declare if they live within or have visited any listed LGA or if they or anyone they live with has visited any of the listed Hotspots in the timeframe indicated.

PLEASE CHECK THE LOCATIONS LISTED VERY CAREFULLY PRIOR TO ENTERING THE VILLAGE.

Contents:

2. Chief Health Officer of NSW directives for COVID-19 Hotspots

Ongoing: any staff and visitors who have visited any of the **COVID-19 Hotspot locations** at the same time as a COVID-19 case (see lists on page 3 – 10 of the bulletin) are **not permitted to enter the village** for 14 days since their visit to the listed location.

COVID-19 Hotspot Locations

1) Have you visited a location below during a listed timeframe?

If yes, self-isolate and get tested immediately regardless of symptoms - **DO NOT ENTER THE VILLAGE**

Location	Dates
Ashfield: The Crocodile Farm Hotel	5:30pm to 6:30pm on Friday 4 September Anyone who attended for at least one hour must immediately get tested for COVID-19 and self-isolate for 14 days since they were there, even if a negative test result is received. People who were there for less than an hour at these times must monitor for symptoms and get tested immediately if they develop and self-isolate until they receive a negative result.
Ashfield: New Shanghai Night restaurant	6:30pm to 8pm on Friday 4 September Anyone who attended for at least one hour must immediately get tested for COVID-19 and self-isolate for 14 days since they were there, even if a negative test result is received. People who were there for less than an hour at these times must monitor for symptoms and get tested immediately if they develop and self-isolate until they receive a negative result.
Oatlands: Oatlands Golf Club	6:30pm to 8:45pm on Friday 4 September Anyone who attended the Bavarian Night Dinner in the Bistro on Bettington main dining room is a close contact and must get tested for COVID-19 and self-isolate.
Parramatta: Albion Hotel (Beer Garden and Pavilion)	8:15pm to 11:15pm on Saturday 5 September Anyone who attended for at least one hour must immediately get tested for COVID-19 and self-isolate for 14 days since they were there, even if a negative test result is received. People who were there for less than an hour at these times must monitor for symptoms and get tested immediately if they develop and self-isolate until they receive a negative result.
Randwick: Fitness First	Anyone who attended Fitness First Randwick between Sunday 23 August and Tuesday 1 September should monitor for symptoms and if they develop, get tested right away and self-isolate. Attendees who visited on the following days will be contacted and advised by NSW Health whether they are casual or close contacts. 10am to 2pm on Sunday 30 August 11am to 4pm on Monday 31 August 8am to 12pm on Tuesday 1 September

<p>Sydney: Hyde Park Medical Centre</p>	<p>Monday 24 August to Saturday 5 September</p> <p>Anyone who worked at Hyde Park Medical Centre (including physiotherapy, pathology, dermatology and dental practices and pharmacy on the ground floor of the building) should get tested for COVID-19 immediately and self-isolate until a negative result is received.</p> <p>If you are contacted by NSW Health and identified as a close contact you must immediately self-isolate for 14 days and stay isolated for the entire period, even if a negative test result is received.</p> <p>Anyone else who visited should monitor for symptoms and get tested for COVID-19 if they have even the slightest symptoms, and self-isolate until a negative result is received.</p>
<p>Waverley: Eastern Suburbs Legion Club</p>	<p>Anyone who attended the club between 5pm and 6:30pm on Friday, 28 August is being directed to immediately get tested for COVID-19 and isolate until they receive a negative result.</p> <p>Additionally, anyone who attended the club on the following days must monitor for symptoms and get tested immediately if they develop. After testing, they must remain in isolation until a negative test result is received.</p> <p>Tuesday, 1 September Friday, 4 September Saturday, 5 September Sunday, 6 September</p> <p>If you are contacted by NSW Health and identified as a close contact you must immediately self-isolate for 14 days and stay isolated for the entire period, even if a negative test result is received.</p>

Self-isolate and get tested immediately

If you have been to any of these locations during the time and date indicated you should:

- immediately self-isolate until 14 days after you were last there
- get tested even if you have no symptoms
- watch for COVID-19 symptoms and get retested should any symptoms recur
- even if you get a negative test, you must stay in isolation for 14 days as it can take 14 days before you may show symptoms or test positive.
